

Welcome from our group at God Discovered ~

We are so happy that you have chosen to come to our home online. Please come in and make yourself comfortable. We would like to offer to you something/s that you might like in terms of spiritual uplift as we have enjoyed from Jesus'/Spirit of Truth who indwells us all. He referred to this as "the kingdom that dwells within".

If you are a new reader to The Urantia Book/Journey to the Father you will find the entire book in written and audio form in our [Urantia Book/contact](#) section. We have a section for those who are pursuing making direct contact with your indwelling Paradise Father [which is quite possible by the way] in our [Find God](#) section. The Jesus MeetUp small group curriculum is for those wanting to create their own Jesus Ministry right in your own town or village. Currently, we are creating/developing our Discover Discipleship 12 week plan that supports, with some training/fostering, those who want to learn how to be a most effective ambassador and leader for Jesus just as His disciples learned over 2000+ years ago. We teach exactly what He taught! There are videos, articles, interviews, TALKS and much more for your personal use as Jesus-promotion tools.

We are glad that you have found us and hopefully you will give us the honor of meeting you in email communication in the [Contact](#) page. Thank you for being here. You are precious to our Father, His Son, our angelic hosts and all of our celestial friends who work on our behalf assisting us in personal spiritual growth = God plan for each of us. To our indwelling Paradise Father who longs for you. ~ the group at God Discovered
