We are not alone!

181:1.6 “Doubt not any of these truths even after you are scattered abroad by persecution and are downcast by many sorrows. When you feel that you are alone in the world, I will know of your isolation even as, when you are scattered every man to his own place, leaving the Son of Man in the hands of his enemies, you will know of mine. But I am never alone; always is the Father with me. Even at such a time I will pray for you. And all of these things have I told you that you might have peace and have it more abundantly. In this world you will have tribulation, but be of good cheer; I have triumphed in the world and shown you the way to eternal joy and everlasting service.”

Was there a time in your life when you chose to withdraw or experienced the emotions of being very alone?

Did you discover any benefits to this experience or time in your life?

193:5.2 My love overshadows you, my spirit will dwell with you, and my peace shall abide upon you.

Like sitting under a huge, lush and cooling tree Jesus' love is always over you.

Like an invisible Father-brother Jesus is with you at all times.

With spiritual power and life-giving loving energy His peace is here for the taking.

We live on a very troubled world! It is easy to feel alone and rejected sometimes on a daily basis. However, we are never alone! We are surrounded by our Father's love even tho we must traverse very difficult situations that sometimes take us to mat with despair and longing for a sense of real fellowship with God.

Until you attempt to find God in your personal spiritual experience in worship He may remain just a concept to you ~ a theory that seems ever out of reach. Carve out the time be still and know Him. Allow Him the chance to work in your mind as Jesus works in your soul to bring God into a substantive spiritual reality for you. He wants this very much. And if you do as well then there is no doubt He will come close to you.

All that is needed is faith!
